

FORM CORPORATION TO BUY NEWSPRINT

700 Papers in Mutual Organ-
ization to End Injustices.

Representatives of 700 newspapers met yesterday in the Hotel Pennsylvania and voted to form a corporation for the cooperative buying of newsprint paper. Fifteen publishers, comprising the executive committee of the following organizations, were present: The United States Newspaper League, the Mid-West Newspaper League, the Inland Daily Press Association and the Michigan League of Home Dailies.

The corporation will be formed, according to the resolution passed authorizing it, for the purpose of "removing the present inequalities and injustices of the newsprint market, which are now imposing a heavy burden upon the people of many communities, and which threaten the existence of many newspapers throughout the country."

Seventy-five per cent. of the papers represented in the meeting are without contracts for paper. The buying corporation will be formed to take care of these papers, offering tonnage and the ranging of bank credits. The managers of the corporation will endeavor to know the whereabouts of every ton of available paper. W. J. Pape of Waterbury, Conn.; George W. Marble of Fort Scott, Kan.; J. H. Zorber of Pottsville, Pa.; and W. W. Weaver of Durham, N. C., will have charge of the details of incorporation.

Resolutions also were passed urging that every possible effort to stabilize the situation without government regulation be made, and urging investigation of illegitimate paper speculators.
